Hi, Mr. Bouie – This email is to acknowledge what we discussed during our telephone conversation today. We will proceed with selecting a facilitator without you indicating your preference because you are unable to access the information that was emailed to you on the facilitators and because you do not wish to hold up the process. We also understand that you do not want to talk to the facilitator once he or she has been selected before the meeting on August 16. Thank you! -- Tressa

I understand. We can set up a call for you with each of the facilitators, so you can talk to them before making a decision. **If you would like to do that, please send me a few dates and times when you are available between now and July 19, 2016.** Thanks! -- Tressa

Hi, Mr. Bouie – Thank you for sending us your suggested reschedule dates of July 18, August 16, and August 25. We will get back to you shortly. As I mentioned before, we would like to use a trained facilitator to help keep the meeting focused and productive. I have attached the resumes of two facilitators who we think would be a good fit. **Please let us know if you have a preference.** Thanks again! -- Tressa

Good morning, Mr. Bouie – I received your voicemail, and Israel informed me that the two of you were able to speak yesterday afternoon about rescheduling the charrette. **Please give us a few dates that will work for you and Crossett Concerned Citizens for Environmental Justice to conduct the meeting.** A response by Monday, July 11, 2016, is appreciated, so that we can share with GP and the other persons who we would like to participate. Thank you! -- Tressa

Hi, Mr. Bouie – GP will not be able to attend on July 16 as they originally thought. We would like to reschedule for a date in September 2016. Please let us know if that will work for you. Thanks! -- Tressa

Subject: Crossett Air Charrette, Sat, July 16 at 1:30 pm

Dear, Mr. Bouie – EPA Region 6 would like to bring together a small group of community stakeholders to discuss air quality in Crossett, Arkansas. This meeting will be an opportunity to share information on the voluntary air monitoring that has been conducted and to talk about ways the community can work together on any ongoing concerns. We would like the group to include a small group of residents and representatives from local government, State agencies, and industry, so everyone can voice their perspectives and hear the viewpoints of others in an effort to improve communication and cooperation.

The meeting is tentatively scheduled for **1:30 – 3:45 p.m. on Saturday, July 16, 2016**, at the Crossett Public Library, 1700 S. Main Street, Crossett, AR 71635. (Please note: the meeting time has been moved up to a little earlier since the last time we spoke.) Our goal is to have you and 2-3 others from Crossett Concerned Citizens for Environmental Justice to participate in the meeting. If you have any questions, please contact me or Mr. Israel Anderson at [214-665-3138](tel:214-665-3138). We hope you will be able to join us. Thank you! -- Tressa
